Atlanta Center of SRF Celebrates 3rd Anniversary

On September 30th, the Atlanta Center marks its 3rd Anniversary. Every year the anniversary date is special because of the observance of Lahiri Mahasaya's birthday. Since the opening of the center, all of the interior space has been completed, new programs started, and several monastics have visited and stayed at the monastic quarters.

Brother Achalanda and Brahmachari Heinz Visit the Atlanta Center

Brother Achalanda and Brahmachari Heinz from Self-Realization Mother Center conducted Sunday Services at the Atlanta Center of Self-Realization Fellowship during their September visit. On their way to India, the monastics stayed in Atlanta and attended the special Science and Religion Program series showing of the new video "The Great Year" and a special pot luck dinner after the Sunday services. Also very special were two impromptu satsangas with Atlanta devotees on Saturday evening and Sunday afternoon with Brother Achalananda.

As with all monastic visits now, they stayed at the Atlanta Center in the monastic quarters during their stay. This is the fourth group of monastics to stay at the Atlanta Center since the monastic quarters were finished a year ago. We have built it, and they are coming!!!
